An organic skincare range, that's high performance with 100% natural ingredients, and combines the benefits of Gamarde-les-Bains water with nutritive and regenerating oil of Argan. Water of Gamarde les Bains, recognized by the Academy of Medicine for its action on the skin, presents an exceptional composition in sulphured elements, which have earned it its appellation "thermal water" since 1841. Skin-protecting, soothing, anti-irritations, anti-free radicals, Water of Gamarde les Bains gives comfort and wellbeing to irritated skins and softness to sensitive skins. Organic Argan Oil "the anti-aging secret", possesses unequalled moisturizing, nutritive, regenerating and restoring qualities. It contains 80% of unsaturated fatty acids of which 35% is omega-6, rich in natural antioxidants and vitamin E.

HAIR-VIT

HealthAid Ltd, HealthAid House, Marlborough Hill, Harrow, Middlesex HA1 1UD
