GET HER LOOK
JAMEELA JAMIL

- 1 **J**'s Jameela is quite the sultry señorita. To get her sun-kissed look, try a cream bronzer. Put a few dots on your forehead, cheeks and chin, then blend together. Once you've built up a natural-looking glow, apply a powder blush in tanned pink to the apple of the cheeks.
- 2 **L**iquid eyeliner really enhances the shape of your eyes. For better definition, use one with a pen applicator to draw a steady line along your top eyelids. Balance this out with plenty of mascara.
- 3 **F**inish with siren red lips. For longer-lasting lipply, apply it with a brush.
