This week, Laura Hockneil, 26, from Camden, north London, gives us her verdict on face wash...

Clearasil StayClear Skin Perfecting Wash, £4.89

This was quite grainy, more like a scrub than a face wash. Too harsh for everyday use, particularly on sensitive skin. The packaging was ugly and masculine, too! ★★

Virgin Vie Fresh Face Purifying Cleansing Foam, £6.50 'My skin felt squeaky-clean but a bit tight afterwards, so lots of moisturiser was needed. The pump made it dispense too quickly to control!' ★★

Garnier Clean Detox Anti-dullness Foaming Gel, £4.99 'This smelled a bit medicinal, but was very refreshing, so good for the morning. After a week of use it made my skin look brighter. I liked the pump dispenser.' ★★

Simple Moisturising Foaming Facial Wash, £2.99 'Gentle and good at removing eye make-up without too much rubbing. I liked that it was unperfumed and not coloured, too. Fantastic for the price!' ★★★★★
