- The Triple Oxygen Facial at Bliss Spa has so many fans the company's launched the **Triple Oxygen Instant Energizing Mask, £38 (1),** an oxygen-releasing 'takeout' treatment you can slather on at home.
- A dose of the essential-oil packed **Australian Organics Moisturizing Shower And Bath Gel, £3.99 (2),** will banish Monday blues and, as it contains no artificial colours or perfumes, it'll be one less morning irritation.
- Swap your gloss for a conditioning lippy like **Prescriptives Colorscope Lipcolour in Pink Paradise, £14 (3).** The creamy formula leaves lips shiny and protected from environmental damage, too.
