

Touch the good
Free with contract or £209 on pay-as-you-go. Smart and stylish, the silver Samsung S910 is a slick combination of phone, music player, 3-megapixel camera, and FM radio. It also has high-speed internet connection capability and a touch-responsive screen. Available exclusively from The Capibar Warehouse, www.capibarwarehouse.com

Turn it up £50
Sennheiser has finally come up with a high quality stereo headset for the iPhone. The MM 8027 adds communication capability to first-rate sound, and is a major quality upgrade to the supplied Apple headset. High efficiency helps prolong battery life, and the earplugs reduce background noise. www.sennheiser.com

Hot from Oz from £8.50
Australian Organics is a range of skincare, bathtime supplements and haircare products. All made from fine botanical ingredients, the range is not tested on animals and are packed full of essential oils and organic plant extracts. For stockist 01622 859898

Bad teeth? around £2,000
Have your teeth spraywashed and, but can't live the thought of a mouthful of foam? Invisalign braces offer almost invisible teeth correction, making them the latest "secret treatment" sought after by celebrities including Demi Lovato. www.appllytoppositivethedentist.com

Luxury from £23.79
Ascent is launching its Precision Collection of Irish Whiskey. Choose from a 12-year-old, 18-year-old, Gold Reserve and Rarest Vintage Reserve - all bottled at 46% alc/vol. From Seán's, Harold's, John's, Vincent's, Mícheál's and The Whiskey Exchange.

Big is beautiful!
Check out Frank's latest swimwear range which is inspired by city street style and the retro glamour of the 1950s. Frank's is available in creating glamorous and luxurious designs for the largest market in the world in just one UK.

Organically yummy! £2.79
