Like a spring clean for your skin

- 1 Lancôme Fresh Exfoliating Clarifying Gel**
★★★★★
Beauty Editor: This was the best looking product, and it smells amazing too. The gel was non-drying and left my skin refreshed.
Kerry: I liked that it had two different sized exfoliating particles and it left my skin feeling really clean and toned. Definitely my favourite.
- 2 Neal's Yard Honey & Orange Facial Scrub**
★★★★★
Beauty Editor: The consistency of this made application tricky – you have to mix it with a little water in your hands first – but the smoothing results were worth the extra effort.
Kerry: The texture was coarse, so I had to be careful not to scrub too hard, but my skin felt amazingly soft afterwards.
- 3 Origins Never A Dull Moment**
★★★★★
Beauty Editor: I didn't like the too-sweet smell, but it did leave my skin feeling soft and looking brighter. The big tub lasts for ages.
Kerry: This had a sticky texture, which felt lovely when I was applying it, but left a bit of a residue so it was hard to tell if I had washed it off. Use sparingly.
- 4 Australian Organics Exfoliating Facial Scrub**
★★★★☆
Beauty Editor: Top marks for the organic ingredients. This is best for sensitive skin as it's gentle and non-drying.
Kerry: This felt more like a face wash as there weren't many rough bits, but it still gave good results.
