## Your Capsule Holiday Beauty Bag

### Minis & Multitaskers

**2 Sunkissed Scent**  
This three-in-one product is our new best friend. It's a brilliant skin smoother that adds a subtle glow and has a delicious vanilla scent that lingers like a perfume. **Laura Mercier Body Bronzing Make-up, £30.**

**4 All-Over Wash**  
The Cowshed Baby Organic Frothy Hair & Body Wash, leaves hair and body feeling soft and clean. We don't care if it's for babies, we're washing it in our suitcase anyway.

**5 Shampoo SOS**  
Mark Hill Beach To Go Dry Shampoo, £4.99, fixes oily roots you don't have time to wash your hair while giving it sexy matt texture and a cool look for summer nights.

**8 Pocket Perfume**  
This tiny perfume is perfect for night or day bags and the roller ball cuts the risk of spillage. **Occitane Rose 4 Reines Roll-On Eau de Toilette Intense, £13.50.**

**1 Mini Straighteners**  
Who's got time for a full-on straightening session on hols? Not us. Just pop these miniature irons in your suitcase for getting rid of the odd kink. **Diva Little Rebel Straighteners, £24.99.**

**3 Four-In-One Make-Up**  
Don't OD on holiday make-up - this cool kit does it all. There's a blusher, illuminator, lip gloss and eight shimmering eyeshadows. You'll be super-glam in seconds. **Pop Goddess Clutch, £18.**

**6 Smooth And Shave**  
Deep conditioners are great for frazzled hair and make a good shaving cream stand-in. **Pureology Hydracure Intensive Moisture Hair Masque, £27.**

**7 Cool Down**  
Avoid overheating on the beach (and that sweaty, red-faced look - nice) with a spritz of this. Great for keeping skin hydrated on the plane, too. It's our saviour! **Evian Facial Spray, £3.50 (50ml).**

**9 Hot Polish**  
Don't waste space packing bumper bottles of nail polish - these new minis come in this summer's coolest colours and look lovely on tanned fingers and toes. **Essie Neon 09 Mini 4 To Go, £15.95 for the set.**

**10 Does-It-All Balm**  
As well as being a moisturiser, lip balm and cuticle softener, this also smooths flyaways and soothes peeling skin. **Moa The Green Balm, £12.50.**

**7 Cool Down**  
Avoid overheating on the beach (and that sweaty, red-faced look - nice) with a spritz of this. Great for keeping skin hydrated on the plane, too. It's our saviour! **Evian Facial Spray, £3.50 (50ml).**
