Kirsty
"This Evian Brumisateur® Facial Spray is so refreshing on a hot day."

Sara "I met Keri Hilson - the newest R&B gal on the block, and I was very jealous when she tucked into some Chinese food during the interview!"

Becci
"Check out my new necklace from Heidi Seeker - super-cute with any outfit! Get one with your name on at www.heidiseeker.com."

Gwenn "I've discovered OPI's Lincoln Park After Dark nail polish, a purple shade so deep it's almost black. Not the cheapest, but perfect for a rock or emo chick in need of a treat!"

Lucy "I'm lovin' the new Whiskas competition to find the Kate Moss of the cat world! I've put my cat, Marmite up for it! To enter, visit www.whiskas.co.uk and upload a pic of your wannabe star with a short story about what your cat will do for Whiskas! The lucky winner gets to appear on Whiskas cat food packets and will also receive a lifetime's supply of Whiskas!"

Jo B "BBQs are ace - I had two last weekend! My fave treat is Halloumi cheese kebabs."

Karen "I'm re-reading Philip Pullman's stunning *His Dark Materials* trilogy - for me, a far better read than *Harry Potter*. Love them!"

Wick "I'm lovin' smooth jazz right now. Check out MOBO award-winner Yolanda Brown at www.yolandabrown.co.uk."

Kate "My nails were in need of some serious TLC, so I've been using Leighton Denny's Renovate. £12 from www.leightondenny.com. Refine, buff and renovate. Now I have long, strong nails for the summer!"

Charlotte Boyd, our fabulous work experience gal
"I'm constantly listening to *Dirty Diana* by Michael Jackson at the moment. What a tune! May his music live on forever."

Emily "I'm stocking up on summer scents. This season's loveliest has to be Tommy Girl - it's so fresh and floral and makes me think of being on holidays! Get it at all good perfume shops."
