After testing the other three variations in this Joe Bloggs range, Rock Star is my favourite - cause I love rockin' out to the Max!

This Hair and Body Wash does exactly what it says on the tin (or tube!) but, as always, I recommend using only on your body 'cos in terms of washing hair, you can't beat a good old shampoo in my book.

eyre: Facial Scrub

This stuff is the daddy of facial scrubs! It only needs to be used two or three times a week but you will be left with a face as smooth as Bea's bum! (Don't worry though, it won't smell like it - ha-ha!

How I love my smelly bum!
