

Father's Day Gift Guide

Worried about what you're going to get your Dad for Father's day? Buying for the Dad who's got EVERYTHING? Well here's our simple guide according to what type of Dad you are buying for and there's something for all price ranges!

High Maintenance Dad

Fresh Bushukan Citrus Bodywash, 300ml, £17.00

This refreshing smelling bodywash is packed full of nutrients and fruits and is great for kick starting your Dad's day. Priced at £17.00 a bottle, we would advise you saved up your pocket money and got Mum to pitch in the rest, as this bodywash is a must have for that hard working, stressed out Dad!

Volumising Thakku Hair Wash, 300ml, £17.00

Molton Brown's launch of the new Volumising Thakku Hair wash is great for Dads with thinning hair, with natural ingredients and volumising polymers will help strengthen and give volume to limp, lifeless hair.

Simple for Men Hydrate & Smooth Gift Set, £16.96

Simple's set of men's grooming products contain a great range for Dads who take care of themselves on a regular basis. The 100% fragrance and colour free products minimise skin irritation and with a great 80% off offer until June 30th makes this gift set affordable for those with a pocket money budget!

Paco Rabanne 1 Million, 50ml, £34.00, available at The Perfume Shop

This spicy masculine scent will make you Dad feel like a million dollars! The gold packaging makes the aftershave look much more expensive and what's more, the bottle is shaped like a gold bar! Priced at £34.00, you may have to chip in your pocket money with your other siblings to grab this great deal.

Christian Dior Fahrenheit, 50ml, £39.99, available at The Perfume Shop

This warm, delicate fragrance is ideal for any type of high maintenance Dad who likes to smell good! Christian Dior's Fahrenheit contains mandarin and cedar, the perfect combination to make your Dad smell good all day long...you won't find a scent that smells as good as this anywhere!

Eyre Biobotanics Shaving System, 150ml, £26.00, available from www.mankind.com

This unique shaving system by Eyre Biobotanics is an ideal gift for the Dad who shaves all the time! The two part application, for sensitive skin is formulated to provide the best shaving experience you Dad has ever felt!
