

SkinsMatter is www.foodsmatter.com's new sister site devoted to freefrom personal and skin care. Like foodsmatter.com, skinsmatter.com is an entirely independent informational website and allergy portal.

Men

- **Bulldog**

Men's grooming range loaded with essential oils and other amazing natural actives to deliver superb grooming results. Bulldog products are body friendly and are free from controversial man-made chemicals such as parabens, sodium laureth sulfate, artificial colours, or synthetic fragrances.

- **Eyre BioBotanics**

A range of facial skin care products for men from Australia, using organic botanicals, offering a complete grooming solution. Free from synthetic colour and fragrance, sulphates, phosphates, DEA, MEA, PEGs, mineral oils, animal products, propylene glycol and parabens.

- **Male Organics**

Male Organics.com is a one-stop web shop providing men with organic, chemical-free skin care and grooming products.

Eyre BioBotanics

A range of facial skin care products for men from Australia, using organic botanicals, offering a complete grooming solution. Free from synthetic colour and fragrance, sulphates, phosphates, DEA, MEA, PEGs, mineral oils, animal products, propylene glycol and parabens.
