

# MUST APPLY

IF, LIKE this *City Woman*, you feel your lives could do with a revitalising treat. This SkinVitals Eye C-Brighten Eye Treatment Mask is perfect for reducing dark circles, soothing tiredness and adding moisture to the dryness that occurs around the delicate eye area. Anyway, this is what the release says, so if you fancy that sort of thing SkinVitals do a whole range of treatment-type masks including a facial treatment and this eye brightener all costing £2.99 and available from Boots stores nationwide.
