## WE TRY, YOU BUY | CLOTH FACE MASKS

No time for messy face packs that take an age to rinse away? Then you need a cloth mask...

1 **SK-II FACIAL TREATMENT MASKS, £45 FOR SIX**

This one makes your skin literally glow - but it's certainly not cheap! It tends to lift off your face unless you keep pressing it down, but it's an amazing treat. ★★★

2 **SKINVITALS H-REVIVE FACIAL TREATMENT MASK, £2.99**

Not only is this one great value for money, but we love the fresh, subtle scent, too. The mask is well saturated in serum and feels cooling, nourishing and revitalising on your skin. ★★★★★

3 **OLAY TOTAL EFFECTS 7X MASKS, £16.99 FOR FIVE**

The actual mask with this one is very stretchy so you can really mould it to your face. It leaves skin, glowing and fresh, but a little tacky to the touch. ★★★

4 **CHAMPNEYS COLLAGEN PLUS EXPRESS FACIAL TREATMENT MASK, £9**

This comes with under-eye patches as well as the face mask, so it's great if you want to treat just your eyes. It gives your skin a great boost, but a lot of gel gets left in the package, which is a waste. ★★★

5 **ORIGINS MAKE A DIFFERENCE SHEET MASKS, £26.50 FOR SIX**

Although very wet, this one doesn't stick to your face very well. It leaves your skin feeling and looking fab though, and doesn't leave any sticky residue. ★★★
