

Beauty must haves...

Radox Limited Edition African Escape / African Sanctuary

Expertly blended to soothe, uplift and rebalance, this unique range captures the essence of the African culture, with baobab and mandarin oil and robes and red rhyme. With mood balancing and moisturising benefits, this range really can guarantee a soothing and calming experience and as a thought found, it's great to wake you up in a morning!

So Organic Travel Kit Essentials

This handy range of bodycare essentials are free from toxic ingredients found in conventional toiletries. A great must-have for that next holiday! A compact size, with a yummy smell, the conditioner in particular got the thumbs up from our Features Writer, Emily, leaving her hair silky and shiny, we highly recommend this space saving beauty pack!

Fade Out Original Active Fade Cream

Helping to fade out age spots, sun spots, freckles and even out and lighten skin tone, this revolutionary cream is a tried and tested favourite of Features Writer, Emily. With regular use, she found that her sun spots and uneven skin tone started to fade and in a few weeks her skin tone looked even and bright.

Sun Sparkle Shimmer Body Spray 150ml - available at Sally Salon Service Nationwide

This party season must-have, this amazing spray will give you a glistening and illuminating glow, giving you a bronzed goddess look in an instant! Quick-dry and non-greasy, this spray is the ideal addition to our beauty regimes and tonight, just gorgeous vanilla scent!

Naked Take Care Sensitive Skin Orange Blossom Body Wash

One of our favourite ranges, this superb body wash is a great way to refresh and revitalise before heading out for the day! Moisturising and soothing on our skin, aided by the benefits of deliciously smelling neroli oil, we love this and the whole of our household!

Bath - the first feminine fragrance by Alexandre Bathet

With sheer elegance and pink simplicity, this new fragrance is ideal for those feeling a bit frisky! Combining floral perfection, with fruity notes, this is the ultimate fragrance to suit the warmer days or nights and keeps that summer or fall fresh right through to the colder months. A great addition to our beauty cabinet!

SkinVitals Q-Lift Cloth Facial Treatment Mask

A unique cloth mask, it replaces moisture, hydrates and firms your face. Insight was so impressed by the effects of this mask, we now ensure its part of our weekly routine, leaving our skin soft, glowing and looking refreshed!
