## CATWALK TO HIGH STREET

Emporio Armani has a stunning new winter coat which costs a rather pricey £499. Save your money and head down to Monsoon instead, where you can get a similar version for just £90. Call 0870 412 9000 for stockists.

## Chantelle tests... daily facials

**Pure Glow Daily Cleansing Cushions, £4.49 for 22 by Neutrogena**  
These are double sided and you run them under water to foam them up. One side cleanses, the other moisturises, but they were too rough for me.

**Ester-C Vita-C Max Instant Facial, £24.95 by Jäson, 0845 072 5925**

5/10

While I was wearing this, my skin felt tingly and refreshed but, when I took it off, it felt tight and dry – as if I needed lots of moisturiser. It's probably more suited to oily skin.

**C-Brighten Cloth Facial Treatment Mask, £2.99 by Skinvitals**  
This is a face cloth with eye, nose and mouth holes and, although it made me feel claustrophobic, it was so moisturising – my skin looked fresh and bright afterwards.

## Ask Chantelle

Hi Chantelle, I love your grey pinafore-style dress – where did you get it?

Tina, Bath

Hi Tina, glad you like it! I got it from Warehouse and it cost £55.

## Beat the bloat

No matter how healthily we eat, or how much we exercise, sometimes we can still suffer from the dreaded bloated tummy. Luckily, natural supplement Oxytarm can help banish the bloat. It's a combination of vitamin C and nutrients that releases oxygen to give your intestines a "spring clean" to improve digestion and aid weight loss. It costs £40 for 150 tablets. Call 020 8733 2456.

## Beauty news

Lipgloss and mobiles are essential: now you can combine the two with Pout, which has launched a phone-charm version of its best-selling Pout Plump. It costs £8, with £1 going to Breast Cancer Care for Breast Cancer Awareness Month. See [www.pout.co.uk](http://www.pout.co.uk).
