## BEST OF THE REST

### Evian Beauty Edition Spray – by *Stephane Mane*

No longer the secret of fashion models and make-up artists, this clever facial spray is the must-have beauty essential for any style-conscious woman wanting to tone, refresh and hydrate her skin. Make-up artists and those in the know love it as it's perfect for setting makeup with its weightless, invisible finish. This sumptuous spritz comes wrapped in limited edition fashion-led and ultra-feminine designs – exclusive to Harvey Nichols, while stocks last £7 [www.harveynichols.com](http://www.harveynichols.com)

##### WaterBlock Solar Spray SPF 30 by Dermalogica

This water-resistant sunscreen comes in a spray bottle which makes it really easy to apply, the oil consistency was lovely to rub in and left my skin feeling super soft! It also has a really beautiful orange smell.

##### Cosmetics a la carte all-over Bronzing Gel

This golden bronzing gel is perfect for creating a sexy tanned look, it is perfect for layering over your natural tan to intensify the color, I love using it on my legs to give them that extra boost of colour, you could also mix it in with your foundation to give your face a little extra colour! It also
