We are all aware of the damaging effects of the sun on our skin and the importance of wearing sunscreen. That's why Dead Sea Spa Magik have created Sunsafe, a pure sunscreen that combines replenishing minerals with a high SPF 50, taking the safety of your skin very seriously, so you can have peace of mind and be rest assured that your skin will have wonderfully deep down protection. The specialised waterproof formula provides protection for up to 8 hours – divinely protecting and mineralising the skin throughout this period.

The highly specialised Mirror Effect protection, unique to Dead Sea Spa Magik, creates a mirror effect, bouncing back the hazardous UVA and UVB rays before they reach the skin's surface. This aids in the prevention of health damage and premature skin ageing.

The formulation of 21 pure Dead Sea minerals, aloe vera and vitamin E, blended within Sunsafe protects, invigorates and conditions the skin. So protect the family with Sunsafe SPF 50 and enjoy the sun.
